I want all you guys to know that I'm having my first on-camera anal sex scene here for you today, with a real penis. I've been preparing for today by using my fingers. Then I asked a girlfriend of mine to use a few of hers since it feels different if someone else does it. I think I'm ready now. We may have to practice first now.

video vexed

if you can't help me, then I'll just have to keep looking

It all started when I wrote to the producers of a video about one of the models I saw. Her name was Amber and she was in a sex scene with some dude, but I was so totally fixated on Amber that I didn't even get the guy's name. She was very attractive and sexy and I would do her in an instant. Amber got me quite wet that day and I have to acknowledge that.

I just told them that I wanted to be introduced to her and see what would happen from there. I mentioned that I had dabbled with girl-love but it had been a couple years of boys until I saw that pictorial. I told them I don't look at many adult videos but I was over at my boyfriend's house one night and found that dvd in his desk drawer. We got into a huge argument about his watching porn and I ended up storming out of his apartment at two in the morning with the dvd on the pretense that I was going to destroy it.

When I got home, I was about to trash it and throw it out but I couldn't do it. So rather than try to destroy it, I put it in my dvd player started playing it. I fast forwarded to the third scene, which is the one she was in, and there was this gorgeous girl on the monitor so I had to look more at her. Her breasts were quite large, and her nipples were perfect. They were erect and wet from being kissed. They were dark and round and seemed to be calling my lips. I tried to put the remote down, but that didn't happen for another half hour.

Okay, so I couldn't sleep, I was thinking of that sex goddess. As I lay in bed, I slipped my hand down to my wet pussy and started caressing it. I thought I would just do me a quickie rub so I could get to sleep. But the more I touched and rubbed, the hotter I got. I found myself thinking about Amber and rubbing harder and harder. I slipped a finger in my pussy, and then two and three, and pushing them in hard. I usually don't put my fingers inside myself, but I couldn't stop. After about ten minutes and getting even hornier, I forced myself out of bed and back to the dvd player and turned on again to that scene.

I sat pantyless on the sofa and hit 'play' and watched that scene again. My clit was hard, my pussy was wet and my fingers smelled of it. I must have come twice sitting there. I stopped the dvd player and finally put down the remote. I went to bed and finally fell asleep. I woke up in the early afternoon to the phone ringing and my boyfriend's irritated voice telling me what a bitch I was; it's just what men do; he still wants me, I know it. I listened for a minute then told him I needed to cool off. I told him I scratched up the dvd and threw it away and if he wants to look at that stuff, he should go out and buy another one - or two - or three.

So, I'm sending your magazine a photo I took of her off the the TV screen to see if you can help me find her. Thanking you in advance. — Kellie in Kansas City

two hard

when my boyfriend wanted me to have a three-way, at first I hesitated...

I was with my college boyfriend when he told me he wanted to see me with another man, but I just took it as joking. We had talked about experimenting with three-ways but I never took it seriously. Even when we saw ‘potential’ partners, we would say they’d be good, but we’d always be joking. When he went to his off-campus apartment one day and he told me he had a special surprise, I walked in and found a total stranger there waiting for us. I had seen the guy around campus and everyone thought he was a bit weird. He was in the art college and sported a healthy beard, looking was from the 60’s. I didn’t know what he was doing there, but I was soon to find out.

I was introduced to him and he told me how he had seen me about and quite liked me, I didn’t know where it was going until my boyfriend put on some music and told me to dance for them. I danced for my boyfriend a lot and was quite thrilled at doing it for a stranger, so I danced in my miniskirt, top and heels, even flashing my butt and panties now and then. I didn’t think it too provocative. Then my boyfriend asked me to strip. I wasn’t sure but I was quite enjoying it so I took off my top first, my pretty boobs bouncing in my bra; then bent over and dropped my skirt. I danced in my panties and bra feeling quite liberated.

I felt quite shy now, but by now I was already half undressed so I thought ‘what the hell,’ as I turned my back and slipped off my bra. Then I faced, them

hands over my boobs, then danced some more and dropped my hands showing my boobs to the stranger. I felt very nervous, my boobs bouncing as I danced. I then felt comfortable enough to slide down my undies, dancing first with my hands over my pussy and boobs, then dancing totally uncovered. I was fully naked and dancing in front of a stranger. I was so horny, then after 2 songs my boyfriend led me to the stranger and got me to kneel and to my pleasant surprise, the stranger had taken out his cock. I reached out for it.

I leaned forward and began to lick the guy’s cock. I sank my mouth down on his cock, licking and sucking his stiff cock. My boyfriend got behind me and slipped his cock into me from the rear. I was so wet, I was being fucked from behind and sucking a stranger off. It was out of this world. The stranger’s cock bulged bigger and harder as he was about to cum. My head was all the way down onto his cock, his balls pressing on my chin, my boyfriend fucking me even harder from behind. Then, the stranger’s cock exploded in my mouth. I gulped down the two jets of sperm, then gagged bringing up the sperm into my mouth but I swallowed it back down as more sperm squirted into me. I gagged twice more until all the sperm was in my belly, and my boyfriend filled me with cum from behind. I stood up feeling very dirty, but then they sat me between them, legs parted and the stranger began to finger fuck my cum filled pussy while my boyfriend played with my hard little nipples. They both played

daydream believer

with me as I sat there naked, until their cocks were hard again.

I stood up and faced the stranger and sat on him. I slid down on his cock and he entered my already swollen pussy as I rode him. My boyfriend got up and got behind me again. Then I felt him place his cock against my tight anus, but he didn't have it there. He didn't hold back, ramming my asshole while I rode the other guy's cock. I screamed in pain as I orgasmed. I came three times as they double fucked me, then both came with more huge loads into both my ass and pussy.

After it was over I sat naked on the sofa and the stranger went home. That was the end of my first three-way. My boyfriend was so exited, he had enjoyed it so much and made me talk about how dirty I felt. I had enjoyed the excitement of the dp, if not the whole thing. It was not the end of it though. A week later the stranger came back, and we had another three-some with him. A few days later, my boyfriend told me the stranger's girlfriend wanted to join our party. I told him I thought I could handle that.

I had always wanted to try a girl and in this sexual environment, and it seemed the right way to do it. That weekend she came over and I was surprised at how beautiful she was. A little bohemian for me personally, but an absolute cutie that I couldn't wait to fuck.

-- Michelle, OSU

There's a new hire in my office here in Newark and I'm enthralled with her. She looks like she's walked off the beach in Los Angeles. Tall, blonde and stacked. I love her look and, man, those boobs. I love big boobs and I'd give anything to see hers, naked. I sit at my desk daydreaming that if I could, if she would allow me, I would take her on a trip to Europe. We could visit Paris and the Riviera. I know she probably would not sleep with me since it would be our first trip together, but if we went to the Riviera, I could at least see her topless at the beach.

And, initially that would be great for me. I have tried to imagine laying on a beach chair as she emerges from the ocean with her hair wet and water dripping off her breasts. She would come over to my chair and I would take the beach towel and dry her off, lingering on her chest to get every drop. Then she would ask me to rub suntan lotion on her and I would oblige. I'd get only the good stuff, because that's what she deserves.

I'd pay for everything and even pick her up in a limo. We'll go to St. Tropez and stay for a week and then back to Paris for another week in the City of Lights. I know she couldn't refuse an invitation like that!

Uh, oh, here she comes walking this way. She stops at my cubicle. "Hi Eric, I'm Sandy." she says. Like OMG...

-- Eric, Newark

We know you can't wait to see us two girls get it on. We're all dressed up in our cutest lingerie and can't wait to please you. But first, we have a visitor He's brought his hard cock for us to play with, and we can't wait to suck it down. Then we'll offer up our pretty little asses to it and await its pleasure.

I absolutely love it when guys cum on my face and my boobs. And it's quite okay when they cum inside me, but to watch that milky splodge cum out of the tip of a hard cock right near my face, WOW! How exciting is that. I get to watch an event that I was the cause of. I know that "I'm fucking the cute girl next door." attitude they have helps a lot. Cum on, I'm ready.

SHE WANTED IT, TOO!

don't make me the bad guy, I'm just an opportunist

Last year my neighbors put their nice house on the market. He was transferred somewhere down South and it sold quickly. Several months ago, a professional couple moved in and I still have not gone over to introduce myself. So, today might be a good time. The husband always seemed to be busy and not around. I first met his wife when we getting our mail at the same time. Her name was Eileen and she seemed friendly and was usually smiling as she worked around the front yard. About a week ago I saw her outside and went over to introduce myself again. She greeted me warmly and I again told her my name was Brandon. She sweetly apologized and told me she wouldn't forget it again.

Suddenly a large truck turns onto our street. I see 'Movers' on the side and it pulls up right next to us. Right behind is a small convertible, red, of course. "Mandy's here!" she says excitedly as she runs past the truck to her car. I walk over and see this really hot twenty-something girl getting out of the car and hugging Eileen. I wait patiently to be introduced. "Mandy, this is our neighbor, Brandon. Brandon, my daughter, Mandy." I say that it's a pleasure to meet her and her mom looks too young to have a daughter like her, blah, blah, blah.

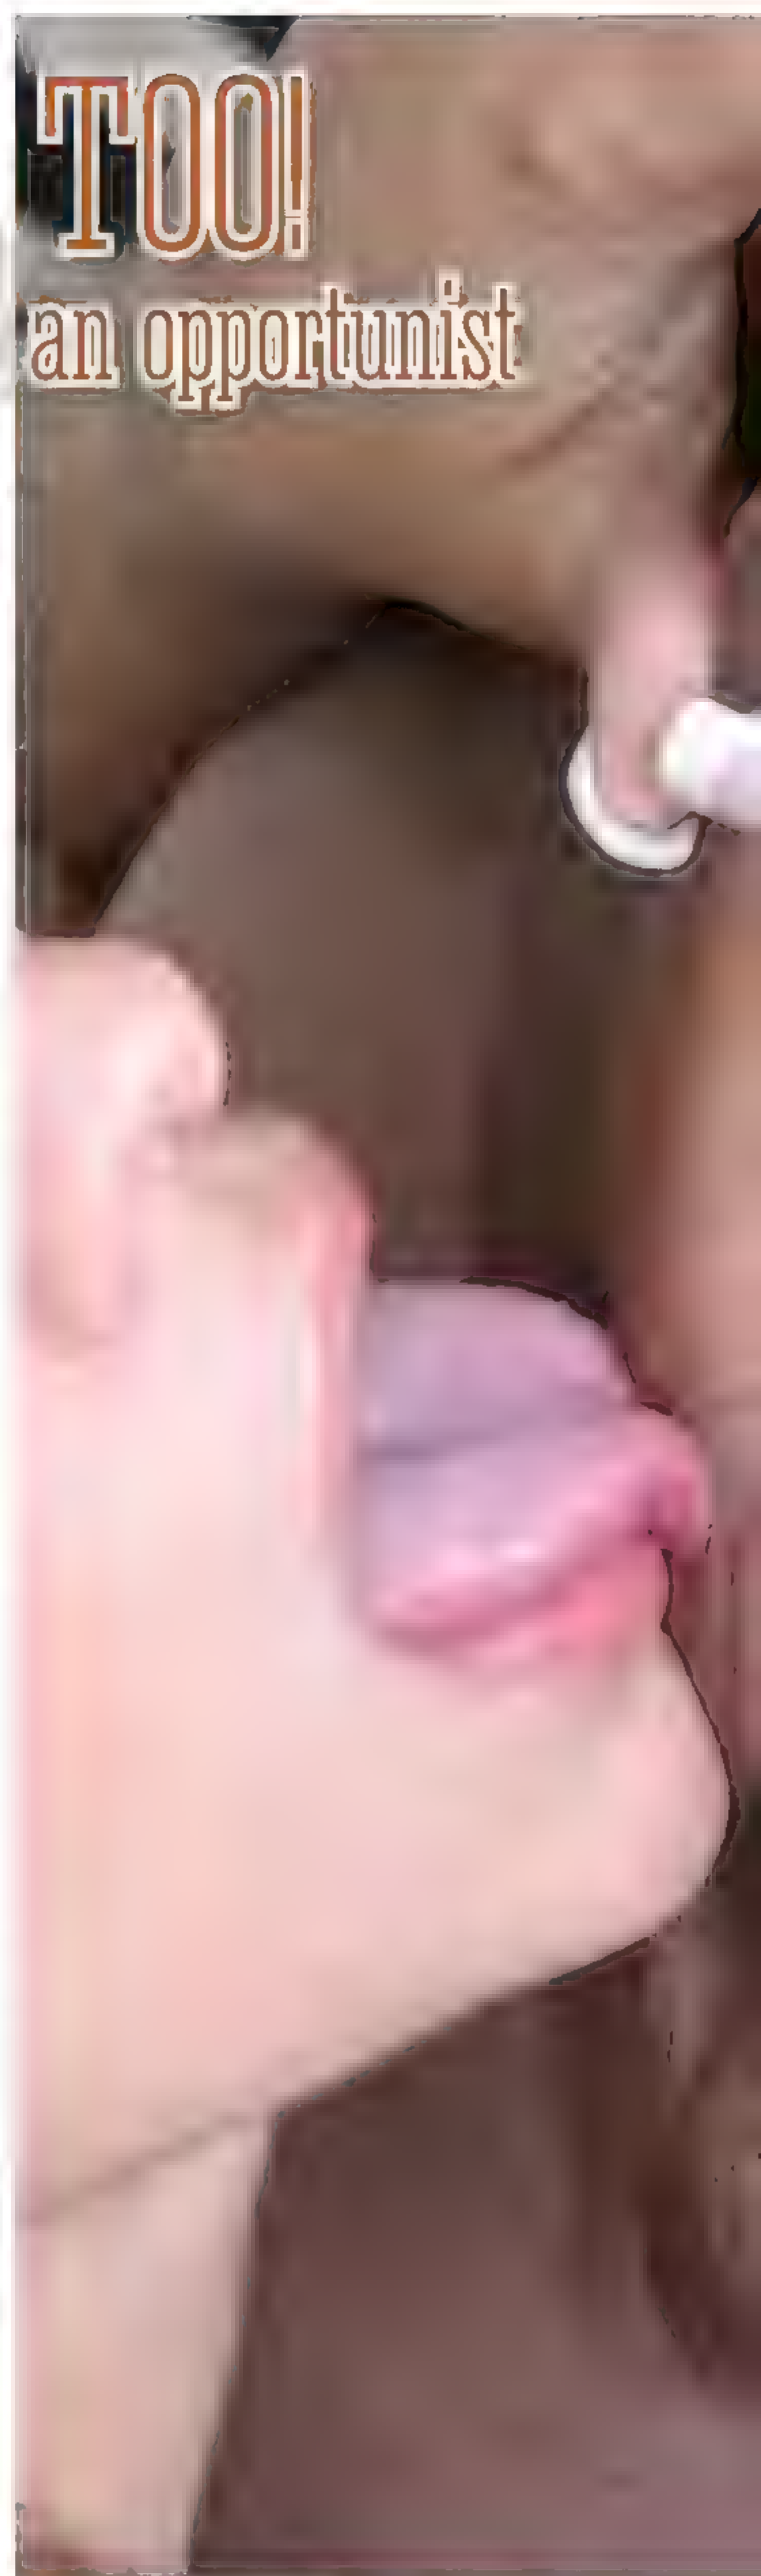

The movers left lots of boxes on the front lawn. I took the opportunity to help them out in order to gain some more credibility. They were grateful and welcomed my help to carry boxes into the house because her husband was away on business and they weren't ex-

pecting the movers until the weekend.

Mandy also had a pretty smile, and she flashed it at me every time we passed each other carrying boxes. Although she didn't have a model figure, she was voluptuous with a slightly larger top and a nicely big bottom. I'll say right up front that I had wicked ideas of bedding her if I got the chance to. She loved to act innocent but I knew that she was a real hottie deep inside. I started to make plans and opportunity to get near to her as often as possible without being too obvious, but that would take some balls.

Yes, I was planning to tempt her whenever I could. I kept myself busy moving boxes but at the same time, keeping an eye on her most of the time. She was casual in her shorts and t-shirt. I just could not hide my arousing bulge when I happened to walk into one of the room and saw her bent over, unpacking something. Her shorts had ridden up, exposing almost half of the bottom of her ass cheeks! I could not help myself so I pretended to put the box which I was carrying down on the floor slowly as if it was so heavy. Well, of course, I did it just behind her to get a clear view of her luscious ass. The shape of her two ass cheeks were clearly as the light fabric strained against her butt!

As she worked unloading the contents of the box, she did not seem to be aware of what she was showing – or could it be she was and that she was teasing me? I took my time and let my eyes lust after her ass. How I wished

I could just pull those shorts down and stuff my cock into that ass, but I knew that was too far-fetched! What if she turned around and gave me a hard slap? After a short while, she stood up and walked over to the box I had just set down. As she sat down next to it, I made no attempt to hide my bulge. I decided to show her to hint that her ass had made me so aroused! While she was sitting on the floor unpacking, I intentionally stood up and took some stuff out from the top of the big box. In that position my bulge would be directly at eye level in front of her face. I knew she could not possibly miss it.

I did not look at her directly to be too obvious, but I did see from the side glances that she did look, not just once but several times. I noticed that she was actually staring at it as if she was trying to visualize it in her mind. At the moments when I knew she was looking, I made my bulge push outwards several times with small hip movements while I helped her unpack the box. She did not say a word – nor did she object. It almost seemed as if she seemed to be enjoying it, so I knew I might have some sort of a chance.

At the same time, I managed to look down at her cleavage occasionally and had no problem peeping in as she was wearing an oversized t-shirt. She was actually wearing a push-up bra, which helped make her cleavage look even deeper and both her nipples seemed erect, too. I was thinking fast as to how to make the next move, hoping her mother didn't come into room.

As she was re-folding the clothes she was pulling out of the box, I pulled out a bag full of her intimate garments. I pulled out a pair of sheer panties and put them in front of my face. She saw me and was clearly embarrassed and so to break the silence, I complimented her on her fashion choices in lingerie. We both could not help but burst

into laughter and thereby breaking the ice. I chipped in further by saying that whoever she bought these for was a very lucky man to have her.

It looked like some of her lingerie hadn't even been worn and I mentioned that she probably looked great in them. It seemed to me that she was picking up the clues and decided to play the flirting game with me. She looked at me and smiled embarrassingly. Well, talk is cheap. I upped the stakes by adding more flattery. Apparently feeling a bit more comfortable with me, she started to take out her sexy lingerie as if she wanted to show it off to me. She was sitting on the floor with her legs crossed as it was more comfortable for her but also good for me as I could see part of her panties from her inner thighs through the gap of her short shorts.

I sat opposite her and, at times, her eyes seemed to be glancing at my obvious bulge as I did not bother to hide it. She caught me peeking at her crotch and she looked down and saw she was exposing a little too much. I was encouraged when she did not make any effort to cover herself but she seemed to spread her legs slightly wider. I was thinking fast and I decided to risk it by asking, "By the way, can I just ask you for a small favor?" "I was thinking of buying some sexier things for my wife. You seem to have such good taste with it. What do you think she might like?"

Rummaging through her lingerie, she took out most of it and picked out one particular piece which she told me was her favorite. She passed it to me and it was quite sexy. I told her that it may look nice holding up here, but I couldn't imagine what it'd look like if she was wearing it. I took another daring step forward by asking if she would try it on for me so I can see what it's like on? She thought for a moment and said she would, as soon as her mother

left the house.

So I sat there, with a hard cock, in anticipation. As if on cue, Eileen walks through the room and says she's on her way to the supermarket to get some food for Mandy's homecoming. Soon afterwards, Mandy goes into the bathroom to change and came out wearing that sexy lingerie. I looked at her as though I was going to devour her! She came near and stood in front of me. It was a sheer pink baby doll that discreetly exposed all the intimate parts of her anatomy. The front top part was almost transparent while the bottom front was a little more opaque but in a triangular shape that emphasized the crotch. She was still wearing her pink g-strings panties and when she turned around, the bottom back part showed her big curvy ass barely protected by a thin floss of string panties. And at that moment when she was playing and modeling herself to me, I had already made plans in my mind that I would fuck her sooner or later. She was obviously enjoyed teasing me.

Asking me if I liked it, I responded by saying "Look at my pants and the answer is already there!" She looked at it and smiled in return and said. "I did told you that this lingerie will turn on any guy!" I could see that she was turned on too! Now was my chance... "Mandy, since you made it so hard, are you gonna help me cool it down?" I pulled her down and she lost her balance slightly and ended up on my lap. With my one hand grabbing and groping her ass, the other hand went straight to her crotch. It was warm and wet. She did not resist either. She seemed to be waiting for something to happen. I took her hand and placed it on my bulge and made her rub it and let her feel my cock. I then quickly pulled my shorts down and proudly show my hardness to her. She held on to my pole and slowly jerked it up and down, bringing it to life! At that time,

she opened her mouth, trying to say something and no words came out of it but only heard her soft moans.

Without another word, she gets on her knees and begins to suck my cock. Slowly at first and then picking up steam. My hands reach down under the lingerie and I massage her full boobs, finding the nipples with a gentle twist and pinch. A muffled moan comes out of the sides of her mouth as her mouth gets hungrier and hungrier for my cock. She closes her eyes and opens her mouth. I lean forward and shove my cock in her mouth. My cock is sliding in and out of her mouth steadily, and saliva is running down her chin. She isn't gagging much so I'm thrusting at a steady pace. After about a minute she pulls away, breathing heavily, and reaches up to grab my cock. When she does, she seems to recoil and drops it again. "Your dick's really big," she says. Mandy grabs it again and tries to jerk it with an awkward rhythm. "When are you going to cum?" she asks. I start jerking my spit-covered cock and holding her head with the other hand. "Don't cum on my face," she says. "I won't," I say.

As I got close I pushed her head forward and shoved my cock in her mouth. I put both hands on her head and began quickly thrusting my rock hard cock against the top of her throat. She began gagging and groaning around my cock. Feeling myself approaching climax, I started thrusting deeper into her throat. I felt the tip of my cock pushing against something which suddenly gave, and the rest of my cock slid into her throat. It felt amazing and at that point I ejaculated. I felt a few spurts and then Mandy was swallowing whatever I spurted out. I finished my orgasm right where I stood hoping her mother had not seen us. I finished, put my cock away and she left to get dressed in her previous clothes. I walked home and went to sleep.
